PLANNING YOUR APPOINTMENT TIME: A dog's pupils start constricting again within 2-3 hours after drops so dogs with later ring times could be examined first thing in the morning. Pupil dilation does not affect the vision in dogs like it does humans because they do not accommodate (use the muscle in the iris to fine focus their vision). It can make some dogs a little light sensitive until the pupil can constrict some which is more of concern at outdoor shows on sunny days.

All persons should take into consideration this is a sporting event and dress, act and exercise caution appropriate for the activity involved. All persons should exercise caution and common sense in any interaction with any animal present. All persons entering the show, the grounds, site, ring and any show areas for whatever purpose do so entirely at their own risk. By virtue of entering the show, the entrant has indicated their acceptance of the terms listed in this premium list and on the entry form and assumes all risks involved.

PUBLICATION RIGHTS: By entering this show, all owners, handlers, breeders, and kennels agree that all rights to televise, videotape, photograph, advertise, promote, and publicize or otherwise exploit this show, or the persons or animals participating in it or the results of the competition before, during or after the event, shall belong solely to the American Kennel Club and their respective assigns, including the use of names, likenesses, or biographical matter of all dogs, owners, handlers, breeders, and kennels participating in the show and no such owner, handler, breeder, or kennel shall allow any other party to make commercial use of any videotape or photograph of any person or animal participating in this competition.

ATTENTION OWNERS/EXHIBITORS OF FOREIGN REGISTERED DOGS

If you are the owner/exhibitor of a dog registered with a foreign registry (not yet dual registered with AKC) please review the eligibility requirements in The Rules Applying to Dog Shows, chapter 11 section 1.

The dog show rules are posted on the AKC Web site at: <http://images.akc.org/pdf/rulebooks/RREGS3.pdf>

Most important to note are the following:

1. Dogs must be individually registered with the American Kennel Club by the day of the event to be eligible for exhibit in the Bred by Exhibitor class.
2. Dogs are eligible to compete in AKC events using the foreign registration for a period of 30 days. That 30-day period begins with the date of first exhibit, *regardless of whether the dog earned any points or awards*. To continue to compete in AKC events beyond the initial 30-day period the dog must be either individually AKC registered or by the date of the event have been granted an extension to exhibit using the foreign registration. The owner or agent can request an extension using the form found on the AKC Web site at: <http://images.akc.org/pdf/extenap.pdf>

If you have questions or need assistance with registration or obtaining an extension, please contact the AKC Special Services Department at: awards@akc.org or (919) 233-9767 (followed by selecting option 4).
